Errors happen.

Even professionals make mistakes – from missing deadlines to overlooking critical details in contracts. As claims against professionals have increased, so has the need for professional liability insurance. We're specialists in E&O insurance. Our underwriters create comprehensive policies that are buttoned up before they're issued. Those policies allow service firms to focus on business, knowing that their professional liability risks are covered.

Coverage Features:

- **Customized Policies:** We tailor policy coverage to address your client's operations.
- **Straightforward Contracts:** You need to know what you are buying. That's why our clear and easy to read policies help eliminate disputes about coverage.
- **Duty to Defend Contracts:** We offer the benefit of our carrier's litigation management expertise and eliminate the burden of managing the claim.
- **Responsive Claims Handling:** Once notified, our claims counsel is available to mitigate and resolve costly litigation.
- **Out-of-the-Box Thinking:** Our underwriters are trained to manage risk. They employ their years of experience to tackle the difficult or unusual exposure.
- **Financially Stable Carriers:** Strength and stability are the hallmarks of our risk-taking partners.
- **Outstanding Service:** That means turning quotes around in two days or less, issuing policies correctly the first time, and responding to inquiries quickly.

Real Life Exposures:

A retail store owner contracted with a local printer to print flyers announcing a sale event. The delivery time dictated within the contract was 10 days prior to the event date. The printer completed the job three days late, causing the retail store owner to miss the deadline for submitting the flyers for insertion and delivery in a weekly journal. The retail store owner sued the printer for negligent misrepresentation and breach of contract, seeking compensatory damages for lost revenue.
